KILAUEA ACTIVE; LAVA RECEDING

Dispatches have been received from Hilo to the effect that the lava in the crater of the volcano Kilauea has receded to some extent and the fumes have diminished, but at the same time the volcano has continued to increase in activity. Statistics from the technology station show that the levels below the rim are approximately as follows:

Dec. 13, p. m. 354 feet; Dec. 14, 8 p. m. 350 feet; Dec. 15, 8 p. m. 353 feet; Dec. 16, 4 p. m. 357 feet; Dec. 17, 4 p. m. 363 feet; Dec. 18, 11 p. m. 365 feet.

These levels are estimated by reference to the crust platform by survey 254 feet below the southwest station. This platform was overflowed on December 12, and on the night of December 14 the lake was in a condition of remarkable activity with overflows southwest and east. The southern rim of the lake was punctured by the flow. This activity partially ceased on December 15, but in the evening there came another discharge of lava into the pool from the cone at the northwest end, similar to that on December 12. On the day following this stream was crusted over but the fountain activity in the afternoon was greatly increased.

10-YEAR CASE YIELDS

We copy the following from a letter from D. O. Robinson, Spartanburg, S. C.:

"I called on Mr. J. A. Thompson, who was afflicted ten years ago with chronic Bright's Disease. It gradually grew worse until two years ago he was bedridden. Son and family gave up hope. Tried the Renal Compound, using about a dozen. Now up and much improved. Is well known. You can use this item, as he gives this privilege. His son is a prominent dentist."

There is no question about this patient having the chronic and supposed incurable form of kidney disease. Some late writers declare the sixth month puts the disease over the dead line. Physicians declared the chronic stage in this case was established ten years ago. Also note that patient was bedfast for two years before taking the treatment. This makes up a hopeless case under the old regime.

We have declared over and over that there is some hope in even old and extreme cases, for some of them yield as in the above instance.

What excuse can be given for holding people who have chronic kidney disease to almost certain failure on Digitalis, Nitro-Glycerine and Balsam's Mixture when there is hope through the simple addition of this new bland and simple treatment. It does not conflict with physicians' prescriptions. Cases not serious enough to be in the hands of physicians often yield to Fulton's Renal Compound unaided. We desire to hear from and advise with cases not yielding.

"Pape's Diapepsin" Gives Instant Relief and the Relief Lasts

Every year regularly more than a million stomach sufferers in the United States, England and Canada take Pape's Diapepsin, and realize not only immediate but lasting relief.

This harmless preparation will digest anything you eat and overcome a sour, gassy or out-of-order stomach five minutes afterwards.

If your meals don't fit comfortably, or what you eat lies like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion. Get from your pharmacist a 50-cent case of Pape's Diapepsin and take a dose just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, nausea, debilitating headaches, dizziness or intestinal griping. This will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapepsin is a certain cure for out-of-order stomachs, because it takes hold of your food and digests it just the same as if your stomach wasn't there.

Relief in five minutes from all stomach misery is waiting for you at any drug store.

These large 50-cent cases contain more than sufficient to thoroughly cure almost any case of dyspepsia, indigestion or any other stomach disorder.—advertisement.

JEHUS FALL IN CHILTON'S NET

Seventy dollars were realized Saturday morning following the hearing of fourteen cases in which local hackmen were charged with having left their steeds unfattended on the streets of Honolulu.

Special Officer Chilton made the rounds of the several stands on Friday afternoon and evening and before he completed his travels about the city had the names of fourteen offenders against the city and county ordinances. All entered pleas of guilty when arraigned before Judge Monarrat at district.

Officers Abreu and Chilton resumed active campaigning among the jehus Saturday, with the result that four drivers were obliged to face the court this morning.

BIG SURPRISE TO MANY IN HONOLULU

Local people are surprised at the quick results received from simple buckthorn bark, glycerine, etc., as mixed in Adler-ika, the German appendicitis remedy. The Hollister Drug Co states that this simple remedy antiseptizes the digestive system and draws off the impurities so thoroughly that a SINGLE DOSE relieves sour stomach, gas on the stomach and constipation INSTANTLY.—advertisement.
